Overview „Bürgerenergie.SH“

supports projects
in the start-up phase

Quelle: Pixabay

consortium of at
least
7 natural persons
required

Renewable heat,
renewable
electricity, new
mobility and
energy efficiency

Revolving Fund

Risk capital per
project up to
200,000 €

Bürgerenergie.SH – what is it all about?

Supports projects in the start-up phase

- All preliminary planning measures - feasibility studies, site analyses, expert reports, data collection, environmental impact assessment, economic efficiency calculations, etc.
- Legal and tax advice if not in connection with the formation of a company
- Public relations work including citizen and stakeholder participation

Support only for projects that have not started yet!

- Refers on the one hand to the implementation phase (start of construction) and on the other hand to pre-planning measures already started

Bürgerenergie.SH – what is it all about?

Revolving Fund – Risk capital per project up to 200,000 €

- Support amount per project at least EUR 10,000, up to EUR 200,000
- For a period of 2 years without interest, thereafter interest rate 2% above national base rate
- The grant amount is to be repaid in full as soon as financing for the overall project is secured
- If the project is not implemented, there is no repayment

Bürgerenergie.SH – what is required?

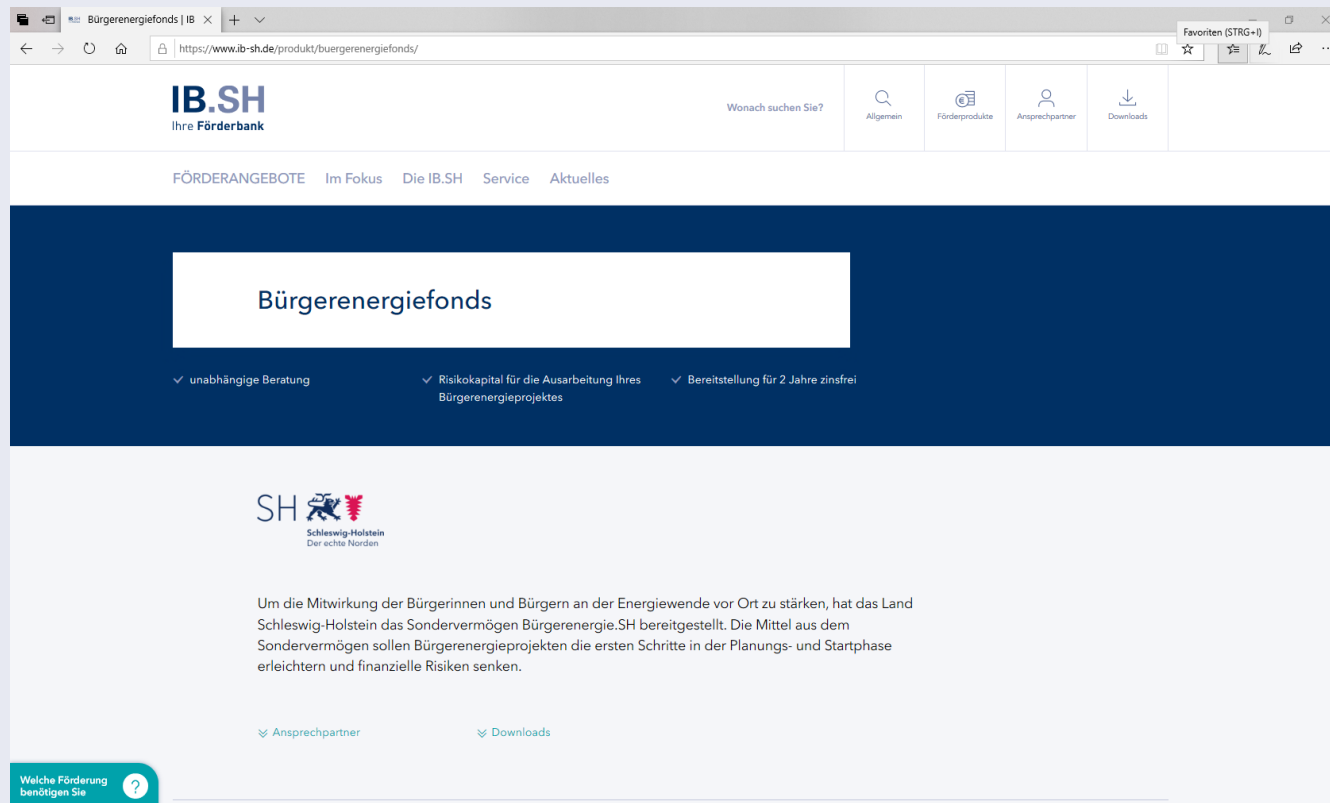

A group of at least 7 natural persons is required

A merger involving at least seven natural persons. In addition, legal entities (associations, municipalities, companies) may participate provided that the natural persons have a majority of votes or a veto right

- No specific company law form of the merger specified
- Seven natural persons must have their first residence in the municipal territory or territories where the overall project is to be implemented

www.ib-sh.de/buergerenergiefonds

The screenshot shows a web browser window with the URL <https://www.ib-sh.de/produkt/buergerenergiefonds/>. The page features the IB.SH logo and navigation menu. The main content area is dark blue with a white box containing the title "Bürgerenergiefonds". Below the title, three bullet points are listed: "unabhängige Beratung", "Risikokapital für die Ausarbeitung Ihres Bürgerenergieprojektes", and "Bereitstellung für 2 Jahre zinsfrei". The footer includes the Schleswig-Holstein logo and a paragraph explaining the state's support for citizen energy projects. A teal button at the bottom left asks "Welche Förderung benötigen Sie?".

Thank you very much for your attention!
