Programme of the European Union

# SEAP PLUS project

- Intelligent Energy Europe;
  - April 2012 – September 2014;
  - Project partners – 11 EU partners (13 countries);
  - Latvia – Sweden;
  - Latgale planning region
- 
- **Aim:** SEAP-PLUS aims at the enhancement of the CoM results and impact in both quantitative and qualitative terms: bring more Signatories and Covenant Supporters or Coordinators in CoM, assist and help them in the preparation of more and better SEAPs, but also trigger cooperation of Local Authorities with Regional Authorities and Energy Stakeholders and cooperation between experienced and learning CoM participants.

## ACTIVITIES IN LATVIA – PILOT REGION LATGALE

Latgale Region consists of 19 counties and two republic cities. The Region has an area of 14 547 square kilometres, 22,52% of the territory of Latvia. Latgale Region is characterised by great diversity of nature and climate conditions.

**THE MUNICIPALITIES OF LATGALE HAVE:**

- Large potential of wood biomass and agriculture leftovers;
- Well-developed district heating system in almost all cities of the region;
- Large heritage of public and private buildings with low energy efficiency;
- Low capacity to implement projects in energy sector;
- Recently realised territorial reform – a possibility to set up new priorities and goals;
- Availability of EU and national funding to implement projects in energy sector.

**RESULTS OF SEAP-PLUS ACTIVITIES IN THE REGION:**

1. Municipalities from Latgale planning region have signed the Covenant of Mayors.

2. Members of Covenant have been signed between the largest energy providers of municipalities.

3. New project proposals for emission reduction have been developed and started.

Large scale workshop and roundtable discussion have been organized for energy stakeholders to discuss their role in CEI and SEAP process.

See you all in the Energy days of the region on 27th of June, 2013 in Balvi municipality!
